Fine Arts for Children & Teens (FACT) is a 17-year-old nonprofit organization dedicated to enriching the lives of northern New Mexican youth with innovative visual-arts learning programs. FACT empowers and transforms lives by building self-esteem, improving social and language skills, increasing interest in learning, and bringing joy through creativity and personal expression. In 2006, FACT reached 4,300 youth ages 4-21 at public schools, at our ARTbarn community studio and through multiple partnerships with community agencies serving at-risk youth such as homeless and incarcerated populations. FACT also held 25 exhibits of student artwork throughout the community.
